

# CLIC Conference Sunday, June 19, 2022

CLIC will be hosted as part of the **WONCA World Rural Health Conference**  
June 17-20, 2022

## Conference Themes:

**Who teaches the teachers: supporting tutors on LICs?**

**LICs – relationship-based education**

**Student wellbeing and resilience on LICs**

Hosted by:

- The School of Medicine, UL
- The Rural, Island and Dispensing Doctors of Ireland
- Irish College of General Practitioners  
at the University of Limerick, Limerick, Ireland

**Please note that the CLIC conference will be hosted as part of the WONCA World Rural Health Conference**

Attendees may register for the entire WONCA conference or for the CLIC one-day conference. The CLIC conference day will have options for in person and online attendance.

Follow here to register for the one day CLIC conference or the three day Rural WONCA conference, see <https://www.woncarhc2022.com/registration>
